Note: A false or misleading statement may lead to disqualification and/or liability to refund any payments obtained and possible prosecution.

Data Protection Act

From the commencement of REPS 4 the Minister reserves the right to make information available to other Government Departments and/or agencies involved with the implementation of EU cross-compliance requirements under the Single Payment Scheme. The Department may disclose information relating to participants in the Scheme to other Government Departments and/or agencies for the purpose of implementing national and European legislation.

Freedom of information Act

The Department is subject to the provisions of the Freedom of Information (FOI) Act. If an applicant considers that any of the information to be supplied is either commercially sensitive or confidential in nature, this should be highlighted and the reasons for its sensitivity specified. In such cases, the relevant material will, in response to FOI requests, be examined in the light of the exemptions provided for in the FOI Act.
